

HOW TO REACH Nano-IBCT CONFERENCE CENTER

During your trip to Sopot you will need to buy tickets so you will need to have some polish currency. You can change money at the Money Exchange Office (Kantor) placed in the Gdańsk Airport Terminal (but the selling rate is not very good, you can find much better in the city, so we suggest to change only 10 or 20 Euro). You can also find at the Airport Terminal ATM.

How to reach Sopot from Gdańsk Lech Walesa AIRPORT:

Taxi:

Take the official taxi of the Airport, CITY PLUS TAXI (phone: 19686), directly to the Training and Rehabilitation Center of Gdańsk University of Technology, Sopot, Emili Plater Street 7/9/11. Approx. time of the trip: 30 min. Approx. price: 100 PLN.

Public transportation:

Take City Bus Line 110 (Direction: Wrzeszcz PKP) from the bus stop near the airport terminal to Wrzeszcz PKP. Approx. time of the trip: 25 min. Tickets are available at the ticket machine, price 3 PLN (Hint – if machine is working you can buy more than one ticket – you will need them in your further trip ☺). If machine is not working just say “do not panic I am in Poland” – you can buy ticket from bus driver but the price is higher (3,60 PLN) and you should know at least some simple words in polish: “prosze o normalny bilet do Wrzeszcza”, “ile płacę”, “dziękuję”). The ticket should be validated at the bus. Next you should take Fast Urban Railway – SKM from: Gdańsk Wrzeszcz Railway Station, SKM platform 2 (Direction Gdynia or Wejherowo or Lębork or Słupsk) to: Sopot Główny - Sopot Main Station. Approx. time of the trip 12 min. Usually, you can buy tickets (3.8 PLN) in the ticket machine which are placed on the platform. You do not need to validate tickets which are purchased in that machine. If you buy ticket in the ticket office you must validate it before entry to train.
